

2018 ESSA Directors Institute LOGO COMPETITION

High school students across the state were given the opportunity to design a logo to be featured on the program cover and other conference materials for the 2018 ESSA Directors Institute. Out of 60 logo designs, **Academy Junior, Kathryn Boyer's logo was chosen as the winner!** They were so impressed with the high quality submissions that they will be featuring all of the submitted logos in a slideshow throughout the conference. So proud of Kathryn.
