Certamen

Certamen is a quiz bowl or Jeopardy-like game featuring teams of up to four answering questions. In order to qualify to play at state, teams first take a test. The top 6 teams by test score compete in the A division while the next 6 teams compete in the B division. Our Latin 1 and 2 teams competed in the B division, while Advanced competed in the A division. **All three teams got first place in their divisions.** This win by Rossview's Advanced team makes for **our third consecutive Advanced state championship.** The teams were composed of:

Latin 1: Patrick Clapsaddle, Race Smith, Sofia Tejeda

Latin 2: Lily Oliver, Hannah Dodson

Advanced (Latin 3+): Emily Caldarelli, Alaina Wilson, Henry Ott, Ashley Song

Sweepstakes

Schools are separated into divisions based on how many delegates they brought to convention. When students place in events of any kind, they score sweepstakes points for themselves and for their school. Rossvie placed first in sweepstakes points in our division and Emily Caldarelli had the 3rd most sweepstakes points for any individual.
