- Locate and select the SchoolsPLP icon.
- A list of the student's classes will show..
- Students click on a specific class and follow the instructions for any assigned work.

Technology Work Orders

- **Restart computer to see if the problem fixes itself.**
- If problem continues:
 - Go to the "Tech Help" tile located on ClassLink (see ClassLink instructions above).
 - Then click on the type of computer issue you are having...either "Student Website/Program" or "Student Laptop" (see image below).
 - Follow prompts to complete the work order process.

Tech Help

In the box below, search within our Tech Docs for a solution to your question. If you don't find the answers you're looking for, request assistance by clicking on a category.
