

Welcome Seniors and Parents!

I am looking forward to serving as your English IV teacher for the 2020-2021 school year both in person and virtually! As we work together towards graduation and college/career readiness, I would like assure you that we are going to have an awesome year together. This class will prepare students for discussion and critical thinking required in high school-level courses, higher education, and 21st century careers after graduation. You will read, respond to, and discuss different genres of British and American literature, as well as hone your writing skills through critical responses, journals, vocabulary, and creative writing activities.

Communication is the key to a successful relationship. Please feel free to contact me with questions and concerns. My contact information is located at the top of this letter.
