Course Objectives

The focus of this course is to train you to function successfully in Korean culture using Korean as your primary language. This means that you learn how to present yourself in a way that a Korean person will find comfortable. If a Korean person has to adapt to you in order to communicate, it is not likely that you can accomplish what you intend in Korea.

Expected Learning Outcomes

At the end of the course, you will be expected to perform in speaking, listening, reading and writing Korean at a basic level of proficiency. You should also demonstrate a level of cultural understanding suitable for performance of assigned tasks in Korean (e.g., how to make a request in an appropriate way).

Students will work on Google Classroom for submitting assignments and doing assessments.

Every material will be uploaded to Google Classroom and linked Google Drive.

Class Etiquette

Even though we cannot meet each other, we will try to create a Korean cultural environment in the virtual class. Pretend that you are in a Korean-speaking world as soon as you log on to the classroom. Here are some basic behavioral conventions that you need to observe and follow in order to show respect to the instructor and your classmates when we have a **weekly Zoom meeting** (Every Wednesday at 8 AM):

1. Students refrain from wearing a cap or hat in class.
 2. Students refrain from eating or chew gums.
 3. Your cell phone should be turned off or in a silent mode in the classroom.
- Check the attached **Zoom Requirements** for students!
