

Dear Student and Parent,

Welcome to the 2022-23 school year at Rossview High School! I am Ms. Karla Posey and this will be my 16th year as an educator. Your child is enrolled in Literacy Transition which is a class that is designed to provide English interventions to help students feel and be more successful in all their classes. During each nine-week grading period, students will be expected to work hard to improve their language, reading and writing skills. Individualized IEP goals and standards will be addressed. Students will also work with challenging materials that demand higher-level thinking and reasoning. My goal in teaching is to bring out the best in each student and to improve their language, reading and writing skills. **Nine-week grades will be determined by dividing the number of points earned by the total number of points possible.** Students will earn grades by completing class activities, homework, quizzes and test.

Students and parents can be informed of grades by accessing Power School. Access to Power School can be obtained through the Guidance Department if you do not already have a password. Below is the new grading scale for the 2022/2023 school year:
