

Credit Recovery Fall 2022-2023 - Math & Social Studies Schedule

In order to receive credit, you must attend regularly and complete all lessons. All work must be completed at school. **Working at home is not allowed.** You must also provide your own transportation and your ride needs to arrive promptly at 4:30 pm. Students will be finished as soon as they complete the required lessons and the teacher verifies course completion. Remember that credit recovery is an opportunity, not a requirement. If you behave inappropriately at any time or do not follow rules, you will be asked to leave and not be allowed to return.

The Math & Social Studies instructor is **Mr. William Avery**. Math & Social Studies CR students will meet in room **B117** immediately after school on the dates below:

Monday	September 12	2:30-4:30
Tuesday	September 13	2:30-4:30
Monday	September 19	2:30-4:30
Tuesday	September 20	2:30-4:30
