

Rossview High School 2023

Spring Grade Recovery Schedule

Grade Recovery (GR) is designed to help students improve a failing grade from the 3rd nine weeks grading period. If a student earned between 50%-59% for a 1st 9 weeks grade in a core class, (English, Math, Science and Social Studies), the student can complete GR assignments after school to raise the grade to a 60%. GR is not offered for honors/AP courses, foreign language courses, CTE course or electives. The first 25 students who return contracts will be enrolled in GR and all others will be placed on a wait list. Students must attend each session until they are done with the assigned work. Once Ms. Lindstrom confirms completion of all GR expectations with the student, the student will be done with the program and will not have to continue after school attendance.

Grade Recovery will meet on the dates below starting immediately after school at **2:30 p.m. in Room C115 (math hallway) with Ms. Lindstrom.**
